# 1-Port Multi-Function Print Server

## TW100-MP1UN (V1.0R)

The 1-Port Multi-Function Print Server turns once standalone multi-function USB printer/fax/scanners into a shared resource on your network.

Unlock the power of your multi-function printer by giving everyone on your Local Area Network full control over the device from their workstation.

Experience print, scan and fax simplicity with an intuitive management interface. LED indicators, bi-directional support and e-mail notifications improve the user experience. Works with most Windows based operating systems.

## FEATURES

- Share a multi-function printer on a Local Area Network
- Supports most USB printers and All-In-One multi-function printers
- Easy to use Windows based utility program and Web based configuration
- Includes one USB 2.0 port and one RJ-45 10/100Mbps auto-sensing Fast Ethernet port
- 3-year limited warranty

# 1-Port Multi-Function Print Server
TW100-MP1UN (V1.0R)
